Howard and I could also call-in if you think space will be limited in the meeting room. Calling-in also allows us to chat with EPA staff during the meeting if you see value in that.

Hi Davis.

I'd like to bring in my Field Oversight Task Leader to this meeting – Howard Young who will be managing our field oversight staff and is a lead reviewer on many of the FSPs. Howard is located in our Bellevue office, so no travel is necessary.

Would also like to have Eric Blischke on the phone (call-in) during the meeting if possible.
